REPORT NO.

1. In addition to the two Inspektoren temporarily assigned to the Polizeipräsidium over the Whitsun weekend from the Hauptverwaltung fuer Volkspolizei and subsequently returned to that organization, an Inspekteur Ronneburger from Saxony has been transferred to the Polizeipräsidium where he at present directs the Abteilung P/K, replacing the deputy P/K chief and immediate successor to Richard Gytner, Frau Hanna Sandtner. It is still uncertain, however, whether Ronneburger is slated to be the permanent successor to Gytner.

2. At a recent meeting of the Polizeiräsidium SED Show Group the question was officially raised as to the political fate of Richard Gyrtner, recently released from the police. The political instructor of the Show Group explained that he considered this question completely justified inasmuch as Gyrtner was a member of the Group. The instructor himself stated that he had no knowledge of Gyrtner's present whereabouts, but he promised to forward the question to the highest Show Group authorities within the Polizeiräsidium.

3. It is reported that in the near future a decree affecting the Volkspolizei in Berlin will be published whereby all police officers who have been in Western prison camps will be discharged.

4. It is expected that a decree instigated by the Economic Section of the East Berlin Magistrat will shortly be announced according to which all small privately managed factories must notify the Berlin Police of the date of their annual summer vacation. The purpose of this measure is to insure that a police guard will be stationed at the various plants during the closed period to prevent the factory owner from shifting either his entire inventory or his machines to West Berlin.

5. It is reported that members of the Bereitschaften of the HVA will soon be issued new uniforms of the color of the uniform of the Soviet Army.
